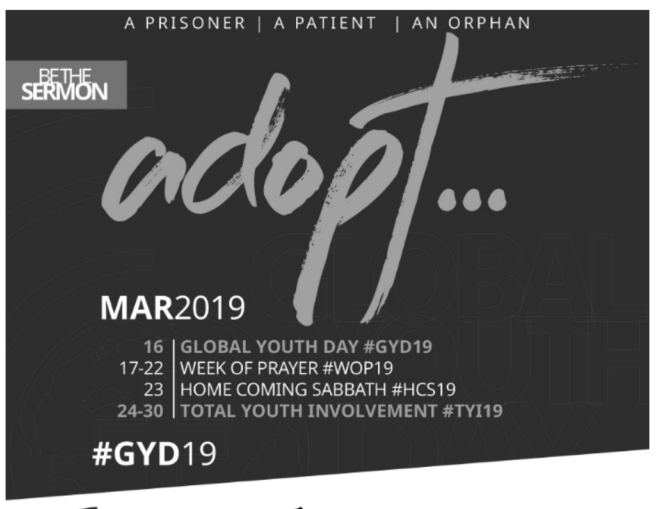
Adventist Global Youth and Children's Day

The Global Youth and Children's Day Initiative of the South Bahamas Conference of Seventh-day Adventists will be held on Saturday March 16, 2019.
The theme this year is **ADOPT! ADOPTE! ADOPTA**!



The initiative is grounded in the concluding words of Jesus in the parable of the Good Samaritan, "Go and do likewise" (Luke 10:25-37).

The theme is 'Adopt' so the young people will be very creative with this, whether it is to adopt
- an old person in their neighborhoods or a nursing home
- an immigrant family who is new to your area
- children in a local school or nursery
- local community children to play games or organize something in the park
- Adopt a community space – garden/allotment
- Work with their local government and ask if they have projects with which they can get involved
- An orphan or a child in a foster home who needs love and attention
- .....the ideas are endless

Hundreds of Adventists and friends will attend Family Island Conventions throughout the South Bahamas this weekend. There will be singing, praying as the members and guests participate in the powerful worship experience. Services begin on the evening of Friday March 8, 2019 at 7:00pm. Administrators from the South Bahamas Conference, Departmental Directors, Pastors assigned to the family island districts, and descendants from many of these Islands have been waiting with anticipation for this time of spiritual renewal.
Convention is also a time when church officers and members receive training through workshops and seminars, and receive materials designed to help them advance the work of God.
Members in Nassau are asked to pray for our Brothers and Sisters on the family Islands and we encourage you to visit whenever you are able to do so.

Girls Empowered For Ministry and Service

Girls Empowered for Ministry and Service / G.E.M.S continues to contribute to the mission of the South Bahamas Conference of Seventh-day Adventists and the community. Last weekend two young ladies at the G.E.M.S Relaunch event held by our Women's Ministries Department, shared with over 100 of their peers how they developed practical ways to share their faith.

Evin Musgrove a member of the Centreville Adventist Church is a Youtuber who uses her platform to speak positively to her peers by sharing tips from personal experiences in life. —Pictured left.

Mahlia Neely a member of the Ephesus Adventist Church is the Founder and President of an organization called Uniforms for All. Mahlia told of her inspiration for the project, her late grandmother who as a custodian at Bahamas Academy and how she had a little room where she distributed school uniforms. Mahlia saw it as a way of carrying on her legacy.
In seeing the need of others, she decided to undertake this uniform recycling project where she organized the collection and distribution of slightly used uniforms to students in need. As a result 600 uniforms were distributed. —Picture above.

Evin Musgrove is a student at Andrew's University in Berrien Springs Michigan and Mahlia Neely is an outstanding 12th grade student of Queen's College who has been recently awarded for her many academic achievements.
These young ladies are making a difference through personal outreach ministries.

G.E.M.S or Girls Empowered for Ministry and Service is a sector of the Women's Ministries Department of the South Bahamas Conference of Seventh-day Adventists that empowers and provides mentorship for young ladies ages 13 -26 years. It has among its many programs, opportunities for the young ladies to volunteer or host events at the Children's Emergency Hostel and the other Children's Homes.
