

Lord Transform Me Them Song

Come, Oh Lord transform me to your service,
Come renew my mind this very moment.
Come, forgive me faults oh come,
And heal my pain and sorrow,
Come, take away my fears
In my freedom I will praise you.

Chorus

Lord transform me, it's my desire.
Create in me a pure and clean heart to store all the
treasures of your kingdom.
God transform me, and cleanse me completely,
It is your blood that has the power to purify,
Transform me Lord!

Come, to be with you is my desire,
Come, guide the way with cloud and fire.
Come, turn my life around oh come,
Send the victory oh come,
I want to see your glory and be filled by your presence.
