TOTAL YOUTH INVOLVEMENT

Young Adults and Ambassadors (Teens) to lead 100 000 preaching sites or small groups around the world

#TYI19 | #100K | #TMI

MAR 24-30 2019

“MISSION is the life of the church. The church exists for MISSION. What a great opportunity and privilege for the YOUTH to be INVOLVED in these last days.”
 – Gary Blanchard, Youth Director

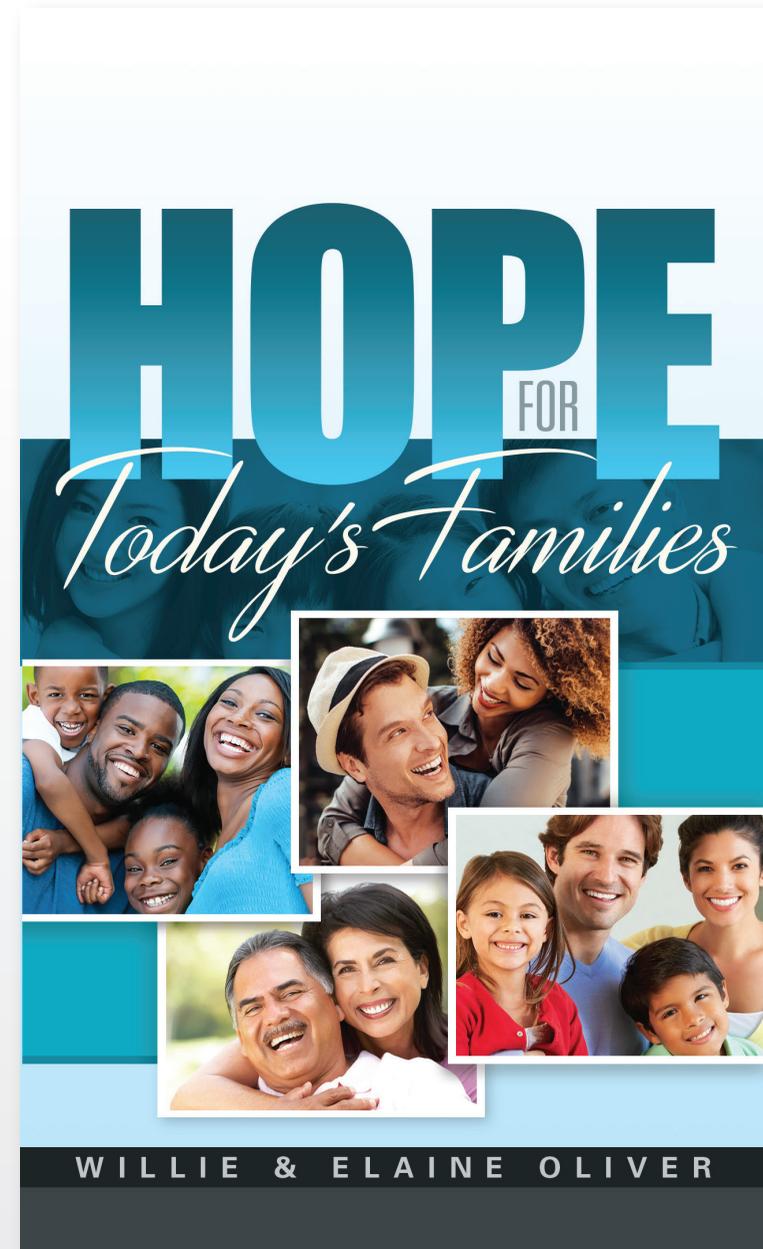

“MISSION is attractive when it is both taught and performed. It is no longer about where we can get the help to do it but what we will do with all this help from the YOUTH.”
 – Pako Mokgwane, Associate Youth Director

“It is God’s desire to have the YOUTH excel in their giftedness. No wonder He has entrusted them to perform this MISSION.”
 – Andres Peralta, Associate Youth Director

10 DAYS OF PRAYER

January 9-19, 2019

Seventh-day Adventist Church

WWW.TENDAYSOFPRAAYER.ORG

Overview

Global Youth Day (GYD) is already the largest response to the Total Member Involvement call to action. #GYD19 will challenge Young Adults and Ambassadors (Teens) in every Adventist congregation to lead a series of public evangelism meetings through small groups or preaching, immediately following #GYD19 on March 16, 2019.

This will be an added chance for the youth and young adults to participate in Mission as an expression of Total Youth Involvement. In addition, the youth will distribute the book of the year during GYD and during the series.

Motivation

“Christ’s Method ALONE will give true success in reaching the people. The Savior mingled with men as one who desired their good. He showed His sympathy for them, ministered to their needs, and won their confidence. Then bade them, “Follow Me”. (Ministry of Healing, page 143). GYD has been true to the first part of the method but very little has been accomplished for the “Follow Me” part. Intentionality breeds purpose. Purpose begets consistency. As following Jesus is the core of evangelism, we want to inspire every human being to be baptized as a disciple of Jesus.

With such a great army as the YOUTH, rightly trained, GYD should not only be the biggest event of the Adventist Church but the biggest evangelistic endeavor too.

Goals

1. To establish 100k preaching/small group sites led by Ambassadors (teens) and Young Adults.
2. To build a long term saving relationship with every physical and digital interaction generated by #GYD19 and the TMI meetings that follow.

Funding

1. TMI/AWR
2. GC Youth Ministries

Integrations

The GC Youth Ministries will work closely with Total Member Involvement, Adventist World Radio, Adventist Development and Relief Agency, Hope Channel Inc., Ministerial Department, Publishing Ministries, Adventist Review, and the Communication Department. All these integrations will unify our efforts so as to maximize the involvement of all Seventh-day Adventists. This total member involvement will make it possible to reach over 100k sites. For example, we could start with the 10 days of prayer in January, join ADRA in their local community activities, distribute literature specifically leading to this event; etc.

Preparation

1. Establish Steering Committee, see page 6
2. Register site with Conference/Union
3. Volunteer for Sub-Committees, January 2019
4. Attend Ten days of Prayer, 10th - 19th January 2019
5. Promote and Invite backslidden members, friends, family, neighbors, etc, February 2019
6. Participate in Global Youth Day, 16th March 2019
7. Distribute Book of the Year, March 2019
8. Attend the Youth Week of Prayer, 16th - 23rd March 2019
9. Fasting day, 20th March 2019

Public Meetings

I. Preaching Sites

TMI will develop youth focused material for Young Adults and Ambassadors (Teens) leading this initiative. However, Participating Divisions, Unions and Conferences/Missions must lead local churches to register and implement.

II. Digital Channels

Youth will be trained and motivated to preach the sermons on social media, coordinating with the nightly topics. Channels include YouTube, Facebook, Twitter, Instagram, etc.

We will also look into airing LIVE from each of the 14 evenings from a different location in each of the 4 global languages we serve: English, French, Spanish and Portuguese.

Mission First

If we all join efforts to proclaim the eternal gospel in an integrated way, we will certainly fulfill the mission Jesus gave us. This can be the largest evangelistic effort in the history of humanity. Together we can reach 100k communities together.

Youth Ministries 2019 Theme

GC Youth Ministries theme for 2019 is the **local church**. We resolved during the World Youth Advisory (2016) to be intentional in making the **local church** a better place - an intergenerational spiritual home for our youth. While we affirm the significance of large corporate events such as summer camps, rallies, camporees and congresses to foster fellowship with the wider youth community and to provide opportunities for decision making and cross pollination, we have chosen to place ministry to young people in **local churches** at the center of our priorities and process. Our rationale lies in this, the **local church** is the spiritual home of our young people; their membership is in the **local church**. It is in their families and in their **local churches** that young people are spiritually nurtured, step up to follow Jesus, embrace his call to discipleship and find their place in God's service. While many of them make decisions at or during wider church events, the location where they are mentored to become devoted followers of Jesus and to live out their Christian experience is the **local church**.

A Charge To The Spiritual Guardian

for

You have chosen to perform a most important work. Your brethren have placed great confidence in you, for to you is given the sacred responsibility to love, nurture and encourage the one in your charge along the Christian pathway. To you, who have been experiencing the joy of growth in a Christian life, has been given the privilege of sharing this experience with those who are just beginning their walk in the path of increased light. The growing experience is fraught with many dangers of which discouragement and frustration are not the least. Heaven is anxious to use you in making the way easier to travel.

As a minister of the Gospel and a fellow-soul-winner, I charge you that for the next twelve months you:

1. In kindness and love, be a friend to your charge
2. Spend time in prayer, in your own private devotions for your charge
3. Take time to visit often with the one in your charge, inviting that one to your home for a meal, when possible
4. Watch for him at the services of the church. Sit with him and make him feel welcome
5. When he is absent from a meeting, inquire as to the reason immediately, either by telephone or a visit, letter him know he was missed.
6. Always show genuine interest in him, being careful never to pry into personal matters.
7. Ever be an example to him and by precept encourage him to look to Jesus as the example in the Christian walk.
8. Introduce him to other church members. Make sure that he is incorporated into the functions of our church life.
9. Help him when you can with his problems, being careful to counsel with your pastor on matters of great importance.

A Charge to a Newly Baptized

for

You have now been baptised into the Seventh-day Adventist Church, and have become a member of a 'family' that circles the earth. You have identified yourself with a people who are looking for the imminent return of Jesus and are making preparation now to meet Him. You have taken upon yourself the name of a people who are striving to hold high the standard of their profession – a people who are pilgrims in this world – looking for a better home. As a 'babe' in the church you will grow day by day as you learn more of the will of heaven for your life. All heaven rejoices that you are now with those who ... "keep the commandments of God and have the testimony of Jesus." Revelation 12:17

As a minister of the Gospel, and a representative of this organization, I charge you:

1. Cherish your church membership always recognizing yourself a member of God's Remnant Family.
2. Spend time each day in Bible study and prayer in personal devotion
3. Establish the 'family altar' in our home and have morning and evening worship with your family
4. Determine now to keep your Christian growth constant by being present at the regular services of the church. Make Sabbath School, the preaching service, and prayer meeting a part of your weekly activity.
5. Be active in the activities of the church. Using your time and talents, be a worker in the Cause of God.
6. Be careful to represent the church aright in all of your activities, knowing and believing that you are representing God in all that you do.
7. When you need help, feel free to call your Spiritual Guardian and talk over your problems. If they demand further attention, call your pastor. He will always be happy to help you.
8. Have faith in God, ever trusting in His power to help; confident that "He which hath begun a good work in you, will perform it until the day of Jesus Christ." Phil 1:6

Sadly, it is the **local church** not the conference or union, that experiences attrition. Therefore, our aim is to mobilize the youth to get totally involved in the mission of the church within a **local church** perspective.

Below is a guideline of how the 2019 Senior Youth Week of Prayer sermons will be structured and organized for the conventional Youth Week of Prayer and an additional week of TYI.
